Instructions

Questions and answers

You have now had 15 minutes to read the *Reading booklet*.

In this booklet, there are different types of question for you to answer in different ways. The space for your answer shows you what type of writing is needed.

- **short answers**
  Some questions are followed by a short line or a box.
  This shows that you need only write a word or phrase in your answer.

- **several line answers**
  Some questions are followed by a few lines.
  This gives you space to write more words or a sentence or two.

- **longer answers**
  Some questions are followed by a large box.
  This shows that a longer, more detailed answer is needed to explain your opinion. You can write in full sentences if you want to.

- **other answers**
  For some questions you do not need to do any writing and you should tick, draw lines to, or put a ring around your answer. Read the instructions carefully so that you know how to answer the question.

Marks

The number under each box at the side of the page tells you the maximum number of marks for each question.

Please wait until you are told to start work on page 4. You should work through the booklet until you are asked to stop, referring to your reading booklet when you need to. When a question includes a page reference, you should refer to the text on that page to help you with your answer.

You will have 45 minutes to answer the questions in this booklet.
